

Locomotive

- 1) Decorate & Cut out locomotive,
- 2) Fold down black dotted lines.
- 3) Cut along white dotted lines to make top flaps.

Back

- 4) Fold along Yellow dotted lines to make back & front of engine (& roof support.)
- 5) Cut out logo square. Fold down along black dotted lines. Turn it so windows are on same sides as wheels. Tape it, overlapping, across the left & right roof support flaps to make roof.
- 6) Tape sides B to B & F to F.
